

## ESTHER MULLER'S 3-DAY CONFERENCE HIGHLIGHTS

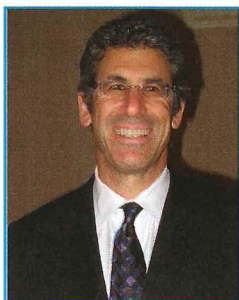

On the opening day of the 3-day conference, Professor Benjamin Wieder and Esther Muller, ACE co-founders, made a very special presentation to Dottie Herman, President and CEO of Douglas Elliman. She became one of an elite group of Academy SuperStar speakers to be honored with the title of "Professor." In the Academy's 19 years, only Lew Rudin, Barbara Corcoran and Faith Hope Consolo have received this honor.

Throughout the sessions, students heard from an exciting roster of our industry leaders. Among those speaking: Howard Lorber, Chairman, Douglas Elliman and Chairman of Nathan's Famous, Shlomi Reuveni, Managing Director, Town New Development, Bess Freedman, Exec VP, Brown Harris Stevens, Jim Gricar, President, Halstead and Dorothy Some-

kh, Sr. VP, Halstead, Jeffrey Appel, President of Town Residential, Faith Hope Consolo, Chairman of Douglas Elliman's Retail Group and Steve Malone, President and Eva Hughes, VP, of the Horse & Carriage Association of New York.

Those attending received 22.5 hours DOS-approved credit to renew their license, including three hours of Fair Housing and Human Rights taught by the best — real estate attorney, Jerry Feeney.
